and Technology Policy
Room 360, Old EOB
Washington, D.C. 20500

Dear Dr. Keyworth,

This is a followup to [] telephone invitation to you to have dinner with the Science and Technology Advisory Panel of the Director of Central Intelligence on Monday, 30 November. I would like to confirm the invitation and pass some information to you on the Panel. I am enclosing a list of the members and a brief description of the Panel and the work that it does.

STAT

We have not identified the restaurant yet but are trying to find one in the downtown area. I will be in touch with you once it has been selected. Typically, these dinners begin with cocktails at 6:00 p.m. and dinner at 7:00.

The discussion at the dinner is intended to be informal and with no set agenda. The Panel would like you to get acquainted with them and vice versa. They are interested in knowing how they might help you with some of your problems and what you perceive those problems to be, particularly as they relate to intelligence. Since the dinner is at a public restaurant, all discussions will have to be unclassified.

If you have any questions, I can be reached on []
